New Library Update

Plans to build a new library are moving forward! In August, the plans for the project were approved by both the Village Board and Library Board at a Joint meeting. The project is expected to go out to bid in September 2022.

The new library plans include great spaces for all ages to enjoy and explore the library including:

- Expanded seating and collection space for library visitors of all ages
- Study rooms for people to work and meet
- An inviting and comfortable quiet reading room
- A variety of attractive meeting and gathering spaces to accommodate library programming and community needs and activities including a community room and children's program/storytime room.
- Age-appropriate areas for children and teens that facilitate learning and engagement

Visit www.oregonpubliclibrary.org for the latest update on the new library project. Please feel free to contact Jennifer Endres Way, Library Director, at 608-835-2322 with any questions or comments.
